GENERAL INFORMATION

COMPETITION REGULATIONS – The competition will be conducted under current ISU and AIR competition rules, where applicable and where appropriate.

COMPETITOR REGISTRATION - Competitors must register at the competition desk before the first session; they may register at the training session or at a time or date as set by the Organising Committee.

For International competitors, the following will apply:

- must provide evidence of clearance from their National Federation.
- must have their own travel and medical insurance which provide cover for participation in ice speed skating training and competition.
- Australian Ice Racing Inc. will assume no liability of injuries during training and competition of the event.

ID and EQUIPMENT

- Competitor identification is required for access to O'Brien Group Arena at all competition sessions.
- AIR helmet covers must be worn during races. Helmet covers will be issued by your State Association.
- All international skaters will be issued a helmet cover. A deposit of \$20 is required to be paid in cash when registering at the competition registration desk. The deposit will be fully refunded when helmet covers are returned at the completion of the competition.
- Australian Ice Racing Inc reserves the right to inspect competitor's equipment before and during the competition.
- Skaters must have, and use, all safety equipment: shin, knee and neck guards, ISU-compliant helmet, and gloves, in training as well as in competition.

- As approved by state members in the General Meeting held on 25th August 2012, the following will apply from 1st July 2013. All skating members of affiliated clubs and state associations of AIR Inc, who have reached the age qualification of Junior age, and above, and any Sub Junior skating members of affiliated clubs and state associations of AIR Inc who wish to skate in the Junior division of any AIR sanctioned events must wear a cut Resistant Racing Suit as defined by ISU regulation to protect the body as suggested in ISU Communication No. 1265 and meet the criteria EN388 Level 2 of the ISU regulations or Cut Resistant under garment. AIR Inc highly recommends that all other skaters to wear either a Cut Resistant Racing Suit or Cut Resistant under garments in all AIR sanctioned events.

COACHES & ATHLETES BRIEFING – The Referee may give a briefing on rules at a date and time to be set by the Organising committee. Coaches, State or Country managers, and athlete’s representatives are encouraged to attend.

ANTI-DOPING

Australian Ice Racing Inc and its affiliates have adopted the AIR Anti-Doping Policy. Competitors at this competition may be subject to testing.

It is the responsibility of all skaters to be familiar with the policy and ensure they achieve compliance.

The prohibited list can be found on the ASADA website and click [here](#) to check your substance online. All competitors must make themselves aware of the content of any ISU Communication on Drug testing use in short track speed skating. Copies will be available from state secretaries or at AIR www.australianiceracing.org or ISU www.isu.org or ASADA www.asada.gov.au.

 - V. The skater will be able to compete in a relay in their natural age group and/or in a senior/open relay team.
- c. A Masters division skater may race down into the open division for the individual competition however will not be able to compete in the Masters division in the same competition. They may skate in the Masters relay event at the same competition.

RELAYS

- a. A skater may race in any age divisions for a relay team in which they qualify, but may not race in any more than two age divisions higher than their natural age division.
- b. Names of any skaters who are to be skated up for the Midget relay from Nipper must be submitted at the same time as the entry form for prior approval before the event.
- c. Masters may only skate down into a senior division relay.

Nipper, Midgets and Sub-Junior individual distances will be run for both boys and girls if sufficient numbers are entered. If there are insufficient entries, then both boys and girls will be combined.

Individual events will be run for both Ladies and Men in the Junior, Intermediate and Senior divisions. In the Junior division, if insufficient entries are received then competitors are automatically moved to the Senior division. The Organising Committee will advise entrants if any of the above alterations are required. The competitor steward has full discretion of actual divisions run for the competition depending on the entry numbers.

Multiple entries within a division will be accepted. Clubs must declare the entrants for each team 30 minutes prior to the commencement of relay racing for that division. No changes will be permitted beyond this point except where a team has nominated a reserve that is not a member of any other team.

The 3000m events will consist of A and B finals as per the Senior division. Depending on final entries for age groups within the Masters division, competitors may be moved up or down by the Organising Committee, whichever is deemed necessary to create a viable division. Competitor points will be awarded for the division entered. Competitors will be notified of any changes prior to commencement of the championship. If there are insufficient entries in the Ladies Masters division, then competitors will be automatically transferred to the appropriate Men's Masters division.
